-
-

Item 7.01 Regulation FD Disclosure.

On October 15, 2013, Western Digital Corporation (the “Company”) was informed that the Minnesota Supreme Court (the “Court”) granted its petition for further review of the decision of the Court of Appeals in the matter of Seagate Technology, LLC v. Western Digital Corporation, et al. The order provides that the parties will file briefs with the Court, and the Court will subsequently set the matter for argument before the Court.

As previously reported, on July 22, 2013, the Court of Appeals of the State of Minnesota reversed the decision of the District Court of Hennepin County, Minnesota, which on October 12, 2012 had vacated a \$630.4 million final arbitration award against the Company and ordered a rehearing of certain claims in the arbitration between the Company and Seagate Technology, LLC.

In accordance with General Instruction B.2 of Form 8-K, the information in this Item 7.01 shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, and shall not be incorporated by reference into any registration statement or other document filed under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.
